

## Hallelujah by Leonard Cohen

INTRO: G Em G Em

### VERSE:

G Em  
1. I've heard there was a secret chord  
2. Your faith was strong but you needed proof  
3. Maybe I've been here before  
4. There was a time when you let me know  
5. Maybe there's a God above

G Em  
1. That David played and it pleased the Lord  
2. You saw her bathing on the roof  
3. I know this room, I've walked this floor  
4. What's real and going on below  
5. And all I ever learned from love

C D G D D  
1. But you don't really care for music do you?  
2. Her beauty in the moonlight overthrew you  
3. I used to live alone before I knew you  
4. But now you never show it to me, do you?  
5. Was how to shoot at someone who outdrew you

G C D  
1. It goes like this, the fourth, the fifth  
2. She tied you to a kitchen chair  
3. I've seen your flag on the marble arch  
4. And remember when I moved in you  
5. And it's not a cry you can hear at night

Em C  
1. The minor fall, the major lift  
2. She broke your throne, and she cut your hair  
3. Love is not a victory march  
4. The Holy Dark was moving too  
5. It's not somebody who's seen the light

D Em Em  
1. The baffled King composing Hallelujah  
2. And from your lips she drew the hallelujah  
3. It's a cold and it's a broken hallelujah  
4. And every breath we drew was hallelujah  
5. It's a cold and it's a broken hallelujah

CHORUS: C Em  
Hallelujah, hallelujah  
C G-D-G-G  
Hallelujah, hallelujah
